We bought this rugged young bull at Tony Robinson's Silver Vale Farm Sale in September. His sire, Prince Willingdon, is one of the great breeding bulls in Iowa today, his sons and daughters being top winners and top-sellers at Marshall County, Hawkeye Downs, and several times at the Central States Sales here. You won't be buying a fat bull, but if you want proof of the growing and fleshing qualities of the Prince Willingdon-Brae Lodge Headlight cross, visit Silver Vale Farm at Masonville, Iowa.

This good cow, purchased in the Pat Johnson Dispersal on Oct. 29, 1952, is an "investor's cow." Champion at the Omaha Sale as a heifer, she has averaged a calf every 11½ months since we bought her and they are the mellow, easy gaining kind. She sells, with red bull calf at side, born July 22nd, by Braywood Souvenir 12th.

This could be the best bred heifer ever to leave Braywood. We have 8 Verbena females. This is only the second heifer of this family we have offered at auction. Braywood Verbena 4th was Grand Champion at Cedar Rapids Hawkeye Downs, selling to Ken Seeley. Look at the last bulls on the pedigree of Braywood Verbena 7th. Right behind those bulls stand Calrossie Sweepstakes, Calrossie Mercury, Bapton Air Control and Fascinator. This beautiful red heifer was pasture-bred to Royal Talisman 8th, that we bought from Johnson Bros., Atlantic, Iowa, at the last Iowa State Sale. She is attested safe in calf after veterinary examination Oct. 9. Just give us a chance to see her Royal Talisman calf before you sell him to anyone else. Calfhood vaccinated.

Collynie Broadhooks 33d is the kind of a heifer one hates to part with. Her dam, Collynie Broadhooks 15th, has been an outstanding breeding cow. Her first calf, Royal Leader, was Champion bull and a member of the 1st prize "Best Pair" at the 1953 Mo. State Show and Sale. Her second calf, Collynie Broadhooks, was Reserve Champion female and member of the 1st prize "Best Pair" at the 1954 Mo. State Show and Sale. Her 3rd calf, Leader's Randolph, has been Champion bull the past two years at all local and district Fairs in northern Mo. and southern Iowa. Her last calf was undefeated Junior heifer calf this year. Collynie Broadhooks 33d has been in calf since July 13 to Leader's Randolph. This mating should produce an outstanding calf.

We like the calves sired by the Radiant bull, and this heifer is a good representative of the group of calves we have sired by him. The heifers I have been selling in Central States Sales have usually been from this Orange Blossom family. Has nursed her own mother and cow due to calve again Dec. 5.

I think you will like this nice growthy heifer. This cow produced a steer that Dale Schleuter of Durant, Ia., showed at the International, and stood well up in the class that was headed by the Clauson steer that was Reserve Grand Champion and Grand Champion Shorthorn, 4-H, in 1954. She should make a valuable brood cow.
